A Family Perspective: Easter Sunday

Millions of Christians around the world celebrate the Resurrection today. It all began simply on the first Easter with one person telling another: "Mary told Peter" and "they believed." Faith is passed one person to another; it is caught, not taught and parents are the most effective persons to pass faith to their children.

By Bud Ozar

From the hand of Fr. Ferris

The Lord is Risen! He is truly Risen!

This ancient cry of our faith is the greatest news the world has ever heard. Jesus has risen from the dead. Sin and death have been conquered; life is triumphant. There is nothing left to fear, not even death. Hallelujah, the Lord is victorious!

Now is the time to rejoice. We have been preparing for this all through the weeks of Lent. We have been holding back, allowing the hunger and thirst, the anticipation, to build. Now let us rejoice with all that we are in the mighty works of Jesus.

May the Lord bless you in these days of joy! May He fill your souls with the peace and satisfaction of Jesus' Resurrection!

--Fr. Ferris
